

# Registration of Production Activity

The *Guidelines and Best Practices for filming on the Island of Kauai during the time of Covid-19* document requires that each production register its production activity for the purpose of contact tracing and adherence to the requirements as set forth by the County of Kauai with regard to the County's efforts to contain and manage the community spread of COVID-19.

Please submit this form a minimum of 48 hours prior to the start of the production activity on Kauai. In the event that the information provided in this document changes, a revised form must be submitted within 48 hours of the new information so that the most current data is on file at the film office.
